

Information Science Technology

RECOMMENDATION LETTER

10/27/2022

To Whom it May Concern,

It is my great pleasure to provide this letter of recommendation to Himanshu Badera in his job search in the field of Data Science. I am teaching Himanshu in a course named "Python for Data Analytics" as his Professor at the University of Houston. Himanshu impressed me with his passion for data analysis. Given his background in Data Science, I am confident that he would make an excellent addition to your company/organization.

Himanshu is passionate about the data analytics subject. He has solid technical and problem-solving skills. Himanshu has my wholehearted and unequivocal support in his search for a Data Science related position. I have no doubt that Himanshu will make an outstanding employee, and I share his excitement over this next venture. Please do not hesitate to contact me for any more information. Thank you for your consideration.

Sincerely,

Xuqing Wu, Ph.D.
Associate professor
Department of Information Science Technology
University of Houston
